

a) Leadership Programmes

3. Name: Kadam (Advanced Leadership) Training

Objective: The Advanced Leadership Training gives detailed information about SEWA's different activities to high achieving trainees from the SEWA Movement Training. *Kadam* means 'a step' and the programme is considered a step forward from the basic leadership training. Potential trainees are carefully selected by reviewing their performance in the basic training programme and by observing the candidate's leadership in the field. Our leadership training programmes form the essential core of our capacity building programme.
